

## Through His Eyes

By Anne Hiss

One day I was walking  
Out on the street  
And there were some young kids  
I happened to meet

And for a split second  
I saw through His eyes  
I saw the good plans  
He has for their lives

A mother, a father  
A daughter, a son  
He has wondrous things  
Planned for each one

That one is an artist  
And she'll be a teacher  
One day when she's grown  
She'll marry a preacher

He will be kind  
A smart Bible scholar  
And together they'll be  
A good mother and father

For each of His children  
God made plans with joy  
For every single person  
From grandmother to boy

'Cause God has great plans  
For all of our lives  
No matter our ages  
Abilities or size
